Reasons For Allowance

The following is an examiner's statement of reasons for allowance: Claim 1 is allowed because the prior art of record fails to teach or suggest a headlamp structure having a light emitting portion, and fluorescent body adjacent the light emitting portion and an optical system including a reflector and a lens, **wherein a dimensional error in an outer shape of at least one of the reflector and the fluorescent body viewed in the direction of the optical axis of the light emitting element is not more than 0.1 millimeters, the dimensional error being less than a positional error of the light emitting portion with respect to the reflector and the lens.** Claims 2-4 are allowed because being depended on the base claim 1.

Claim 5 is allowed because the prior art of record fails to teach or suggest a method for manufacturing a headlamp structure having a light emitting portion, and fluorescent body adjacent the light emitting portion and an optical system including a reflector and a lens, **wherein a dimensional error in an outer shape of at least one of the reflector and the fluorescent body viewed in the direction of the optical axis of the light emitting element is not more than 0.1 millimeters, the dimensional error being less than a positional error of the light emitting portion with respect to the reflector and the lens.** Claims 6-7 are allowed because being depended on the base claim 5.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
